Board of Supervisors Hearing – August 3, 2011

The next General Plan Update Board of Supervisors hearing will be held on August 3. The staff report for that hearing is now available online at:

http://www.sdcounty.ca.gov/dplu/gpupdate/BOS_Aug2011.html

Based on direction from the Board on April 13, the August 3 documents contain a number of changes to the General Plan Update that were considered “minor” because they were consistent with the General Plan Update guiding principles and did not require recirculation of the Environmental Impact Report. As directed by the Board, the August 3 report also contains all final documents necessary to make a decision on the General Plan Update.

Public testimony remains closed regarding the General Plan Update; however staff is available to answer any questions or concerns from the public. Staff can be contacted at gpupdate@sdcounty.ca.gov or 858-694-2488.
